ABOUT THE FESTIVAL . . .

This year marks the 20th Anniversary of this spectacular High School Band Festival.

For all the years of the Festival's existence the participating schools have received a total of over \$106,000 for use by their music departments. This kind of support by you, the audience, is a tribute to your interest. The students and the schools involved sincerely thank you.

Your Announcer
CLAIR BIXEL

The Festival gives the students and their dedicated band directors the opportunity to present an evening of pure entertainment. The event is completely non-competitive and designed to foster interest in music and music education in our high schools.

In staging and administering the Festival many individuals have assisted in the production. This show is the result of their work. It belongs to the youngsters and it is yours to enjoy.

The Home News is proud of the part it plays each year in this project and thanks the schools, individuals and educators for their help and advice and you for your attendance.
